The programs must be used to carry out a comprehensive program for Indian students and must supplement the regular school program.

The Indian Education Formula Grant requires the annual submission of the Electronic Application System for Indian Education (Formula Grant EASIE) through an electronic portal housed on Federally managed and secured servers (computers). The system is web-based and includes the entire applicant submission process. The Office of Indian Education (OIE) is submitting this request to update the Indian Parent Committee Approval form to include the submission of meeting minutes.
